

STEPS WE HAVE TAKEN TO PREVENT COVID INCLUDE:

- Visitation is permitted in designated areas by appointment – please contact your Social Worker to schedule or with questions.
- We require anyone who enters our building to be screened and to wear a mask.
- Staff and resident surveillance for fever and symptoms daily.
- There will be tiered approach to the Dining room meals. Please tune in to Channel 2 for current information.
- Activities may resume with 10 or more residents following social distancing and wearing masks for residents and staff wearing a mask and face shield.
- Residents should wear a mask and maintain 6 feet social distance when out of their room.
- Residents should wear a mask or cover their mouth and noses with a cloth or tissue when staff enter their room.
- Staff providing direct care are to wear a mask and face shield.
